Children draw talking

Global online gallery

Do you know a child who is 0–8 years of age?

We would love to include their drawing in our
Early Childhood Voices 2022 Global Online Gallery.

Children from across the world are invited to “draw a picture of you talking to someone” then answer a few quick questions to describe their drawing. The drawings are not supposed to be a work of art – whatever your child draws (even if it is just lines or scribbles) is perfect!

We will display all of the drawings in the Early Childhood Voices 2022 Global Online Gallery.

Submissions close 7 November 2022
